

What do I get for My Dues?

MISSION STATEMENT:

The Hampton Roads REALTORS® Association (HRRRA) shall enhance the ability of REALTORS® to achieve business success in an ethical and professional manner, and shall protect and preserve private property rights.

A LA CARTE PHILOSOPHY:

Members can pick and choose the programs and services that make the most sense for their business. Paying individually and allowing programs to be self-sufficient saves members money in the long run by preventing the need for dues to be raised to support programs they may not be interested in.

Dues revenue funds core services like governmental affairs, ethics enforcement, specialty councils, and publications. It is also used for research and development of new programs, products, and services that enhance members' success. In fact, dues only make up a fraction of the total HRRRA budget, far lower than the national average.

YOU ASK:

Why do my dues keep going up? Over the past 20 years, local Association dues have risen less than the cost-of-living. Dues cover an abundance of services that help you in your career!

What is HRRPAC? Hampton Roads REALTORS® Political Action Committee (HRRPAC) is your voice in politics! As a HRRRA REALTOR®, you have a strong, unified presence among city councils and legislators. In Hampton Roads, we have an advantage in that we have a local political action committee supporting and electing REALTOR®-friendly candidates. What you contribute to HRRPAC is divided between the National Association of REALTORS® (NAR), the Virginia REALTORS® (VR), and HRRRA's REALTOR® Political Action Committee.

What is RIM? HRRRA created the Real Estate Issues Mobilization Fund (RIM) to primarily support or oppose national, state, and local issues that impact real property and the sale, lease, exchange, option, brokerage, use, and development of property. Issues which could have had a negative impact on your business have been defeated in the past through the coordinating efforts of RIM. This would not be possible without contributions from members of the Hampton Roads REALTORS® Association.

What is the REALTOR® Foundation? The HRRRA Foundation is a tax-exempt, 501(C)(3) non-profit organization sponsored by the Hampton Roads REALTORS® Association. It is a channel for the charitable and community service energies of the professional real estate industry.

Core Services

Dues cover Core Services. These are services that benefit all REALTORS®.

GOVERNMENT AFFAIRS

HRRRA has a well-respected Government Affairs program, active with the local municipalities, as well as a strong presence with the state General Assembly delegation and federal representatives.

ARBITRATION, MEDIATION, ETHICS, AND PROFESSIONAL STANDARDS

HRRRA promotes ethical business practices with a forum for complaints and recourse for satisfaction, if justified. This service saves members thousands of dollars in legal costs arbitrating business disputes. In the minds of the consumers, abiding by a Code of Ethics is a prominent reason for using the services of a REALTOR® instead of a non-member agent.

ONLINE SERVICES

HRRRA's website, HRRRA.com, is loaded with information on events and other Association news as well as the many services provided by HRRRA, with a Members Only section. HRRRA also maintains a presence at popular social media sites, including Facebook, Twitter, LinkedIn and YouTube.

I am one® CAMPAIGN

HRRRA continuously promotes awareness to the public that all real estate agents are not REALTORS®, and works with the news media to encourage positive and informative reporting about the real estate industry and the fact that REALTORS® adhere to a Code of Ethics. Many HRRRA members report being asked by clients if they are, in fact, REALTORS®. In the mind of the consumer, the REALTOR® logo has come to mean professionalism and excellence in real estate services. In addition, many professional designations can only be used by REALTOR® members. Statistics and studies prove that REALTORS® with professional designations earn more income over those without. Materials at iamone.com are available for all HRRRA members to use in their own marketing and promotions.

Other Benefits and Services

HRRA works for you. Many services are available at no cost.

Networking: The networking and education provided through council meetings, advisory groups and other events are valuable assets for many members. (Many members report that the value of the FREE legal advice received at just one REALTOR®/Lawyer committee meeting far exceeds the annual dues amount!)

Economic & Advocacy Summit (formerly known as REALTOR® Day on the Hill): Every year, busloads of REALTORS® travel to Richmond during the General Assembly session to meet with legislators on the importance of real estate issues.

Government Affairs Accomplishments: Work done on behalf of HRRA includes the defeat of numerous anti-growth measures and proposals to increase transfer taxes. Our assist helped to protect Oceana in the last BRAC review. In 2014, we were successful at the General Assembly in protecting agents from unreasonable accusations of misconduct and in improving the VRLTA. We worked with NAR to maintain and extend the Mortgage Interest Deduction and the Mortgage Forgiveness Tax Relief Act. We've participated in legislative discussions about flood insurance, FIRM revision, and recurrent flooding. We continue to monitor City Councils, Planning Commissions, and the General Assembly to protect the real estate industry.

Education: HRRA's real estate school, Alpha College of Real Estate, has developed a number of continuing education programs, legal liability, risk reduction classes, Principles, and broker licensing courses. Rookies benefit from the new agent training program, QUICKSTART®, and all HRRA members have access to 3 hours of Ethics CE/PL at no cost. A great benefit of membership is the access to great education in your own backyard, no travel required. Alpha offers designation courses that other, smaller associations cannot afford to offer. Education is the key to success in real estate and HRRA has made sure its members have access to the best.

Public Relations: HRRA is featured regularly in local print (and sometimes broadcast) media. HRRA has partnered with the *Virginian-Pilot* to feature articles in the *Saturday Home* section. The "Realtors on Call" and "Realtor Q&A" columns are open to any HRRA REALTOR® member who wishes to submit an article for consideration. Contact vhecht@hrra.com for more details.

Events: HRRA has events for members throughout the year which offer a chance to relax, meet colleagues, mingle with Affiliate Members, and have fun, including the Circle of Excellencesm Awards Gala, YPN Socials and the annual Installation Luncheon.

Recognition: Each year, HRRA recognizes professionals who have given exceptional service to the Association at the Installation Luncheon. HRRA also recognizes those members who have reached exceptional production levels with the Circle of Excellencesm Awards. These awards are recognized by the home buying public as a measure of success.
